PLOT or SITE PLAN

Plot or Site Plan must show the following information:

1. All parcel property lines (include dimensions in feet).
 2. Location of new dwelling/structure (in relation to property lines- accounting for setbacks).
 3. All existing structures and distances between these structures and parcel property lines.
 4. Distance between all structures, property lines, and neighbor's structure(s).
 5. Location of septic tank, leach field, and reserve area if applicable.
 6. All easements, washes, embankments, slopes, etc.
 - a. Affected roads, easements, and right-of-ways should be shown. Properties situated on State or County roads will need to furnish proof that the appropriate agency concurs or waives applicable permits, i.e. encroachment permits for ingress.egress on State and County highways.
-
