

PROPOSITION 402

Casting a ballot in an election is so very important to our democracy. Knowing why and what you are voting for is even more important.

Please plan on attending one of the informational discussions on Proposition 402, listed below. You'll learn critical information regarding Prop 402.

In the Special Election last May, voters approved Prop 401 to increase the Expenditure Limitation (*similar to Home Rule in towns and cities*); however, that was only for FY 2018/2019.

In this **upcoming General Election**, Prop 402 is asking the voters of La Paz County if they want to permanently raise the Expenditure Limitation (*similar to Home Rule in towns & cities*).
