## LA PAZ COUNTY PUBLIC WORKS

### SANBAGS AVAILABLE AT PUBLIC WORKS

### MONSOON & SEVERE RAIN SEASON WEATHER

During heavy rains, the safest strategy is to stay in place – remain in your home or place of business. Don't travel unless you have to. Obey all signs and avoid low-lying areas. Do not cross running water. Designated Public Works crews will be on call 24 hours a day during the monsoon and after any major storm events to check for and remove downed trees and debris, clear clogged storm drains and to assist residents in flooded areas. To report any damage please call 928-669-2016. Emergencies call 9-1-1.

### FLOODING

The Public Works Department provides sand and bags free of charge to residents in the event of flooding. The sand and bags will be located at La Paz County Park, Bouse Park, Salome Fire Department, Larry Hancock Farms in Wenden, Ehrenberg Park and at the Cibola mail boxes, before or following a major rain event, in which flooding may occur. NOTE: Residents are asked to bring their own shovel to fill the bags. Anyone needing assistance should call Public Works at 928-669-2016. Please report flooding that occurs in County roads and streets. The County cannot respond to flooding in resident's homes.
